Registration Directions for Professional Development and Program Directors' Orientation to KCCS English/Language Art and Mathematics Events

It's time to register for 2012-13 professional development. Below you will find registration instructions and a link to the KYAE Professional Development eHandbook. **It is very important to read the KYAE Professional Development eHandbook before registering for courses or events.**

1. PD Registration begins July 19 for all KYAE Professional Development (PD) and Professional Growth Opportunities. Review the course details including available dates in the [KYAE PD eHandbook](#) and register using the [KYAE Course Catalog](#).
2. This year, all Kentucky Common Core Standards (KCCS) learning community participants will register using the [KYAE Course Catalog](#) according to their county program location. **The deadline to register for a learning community is August 24.** [Click here](#) to view the KCCS English/language arts learning communities (LC E) and mathematics learning communities (LC M) for each county.
3. Registration for the **Program Directors' Orientation to KCCS English/Language Art and Mathematics** is now open. See the [KYAE PD eHandbook](#) for the event details and register using the [KYAE Course Catalog](#). See dates, times and locations below. Once registered, you will receive more information including directions, parking and hotel information from the facilitator, Dawn Hanzel, CCLD, (859) 257-6095, dawn.hanzel@uky.edu.
